

# Race Schedule

The Club season runs September through May. During the fall, races are “head races,” in which rowers race a set distance in time-trial format. In the spring the race format changes to “sprints,” in which up to six crews compete in head-to-head races. The race schedule will be finalized after a statewide coaches' meeting held the first week of October. LBRA Bay Series races might be added to the schedule.

## ***Racing Schedule***

| <b>Date:</b>      | <b>Event:</b>  | <b>Location:</b>              |
